

## FGCS Bus Safety Rules

Students' safety while riding the bus is our priority. All school rules apply to students while riding the bus. Students are expected to follow these specific rules when riding the bus. Parents are asked to review the rules with their students. Students who fail to follow bus rules are subject to school discipline, which may include temporary or permanent loss of bus-riding privileges as well as other consequences.

1. Follow bus driver directions.
2. Sit facing forward in your seat.
3. Use only quiet voices.
4. Talk and behave respectfully toward the driver and other students.
5. No eating, drinking or chewing gum on the bus.
6. If necessary to cross the road before or after boarding the bus, always cross in front of the bus as directed by the driver.

Call principal Vanessa Gray or director of operations Karen Torry at 503-359-4600 with any questions.
